**REMARKS**

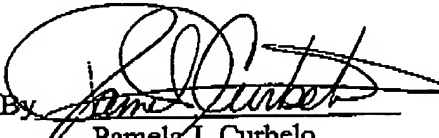

Claims 1 – 16 are pending in the present Application. Claims 1, 2, 3, 5, 6, 9, and 14 have been amended. The claims have been amended for consistency of language throughout the claims. Claim 14 has also been amended to correct dependency problems created by the renumbering of the claims in the Examiner's Amendment. The Specification has been amended to for consistency with the claims, with support in the claims as originally filed. No new matter has been introduced by these amendments. Accordingly, entrance of this amendment is respectfully requested.

Regarding the Statement of Reasons for Allowance, the Applicants note that, although the claimed methods can be used to maximize yields for removing solvent, the claims are not limited to situations where these yields are maximized.

If there are any additional charges with respect to this Amendment or otherwise, please charge them to Deposit Account No. 07-0862.

Respectfully submitted,
